

REMARKS

In response to the Quayle Action dated July 12, 2007, the specification has been amended to include the registered trademark symbol "®" and, where appropriate, the generic description "dry powder inhaler" after each appearance of the word "Turbuhaler," in accordance with the proper use of this trademarked term.

Claims 9, 11-17, and 21-58 have been allowed. It is believed that the amendment above places the application in condition for allowance.

No fees are believed to be due. Any necessary charges, or any credits, should be applied to Deposit Account 06-1050, referencing Deposit No. 06275-150003.

Respectfully submitted,

Date:

July 27, 2007
